Adopted: June 20, 1983

Amended:

A. Policy

The Board shall take every step possible to enable university presidents to reimburse faculty and administrative candidates for their interview travel expenses. For all concerned, such a procedure should be as uncomplicated as possible. The presidents shall approve the travel according to the following guidelines:

1. A demonstrable affirmative action search will be taken.
2. Normally up to three candidates may be brought to campus for each position.
3. A periodic departmental review will take place after actual practice and application.

B. Effective Date
