PLEASE NOTE

- This check sheet is only a guide. Requirements are subject to change** and students are encouraged to attend Health and Physical Education Major meetings and visit with their academic advisors on a regular basis to keep current with program modifications.
- Graduation in four years requires** that students comply with this schedule with few exceptions. *Students are advised to consider summer classes or an additional semester if this sequence becomes too demanding.*
- Non-teaching tracks** are offered in Aquatics, Coaching, and Sport and Physical Education in Correctional Settings.
- Program options requirements** for all tracks are available from your advisor and the chair of the Health and Physical Education Department.
- Elective courses and minors** should be considered if a student plans to take summer courses or attend for more than eight semesters.
- Diversity experiences** should be planned for as early as possible as they may not be possible during student teaching .
