## ON-CAMPUS HOUSING

The university provides accommodations for approximately 1,400 students living on campus. Residence halls are available for all students (Freshmen through Graduate). All students have an opportunity to reside on campus during their college career. Students admitted to the Lock Haven Campus will comply with the following on-campus residency requirement. Students who enter as first-time fulltime students must reside in university housing their first four (4) regular semesters (summer and winter sessions not included). The following exceptions apply with verification:

- Students who will reside with parent(s) or legal guardian within the commuting distance of 30 miles from Lock Haven University.
- Students over the age of 21.
- Students married.
- Students with children.
- Transfer students who have completed a total of 4 regular semesters, including their prior college experience, or 60 credits. (Students who have completed fewer than 4 regular semesters of college, or 60 credits, will be required to live on campus until they have completed a total of 4 regular semesters of college or 60 credits).

The Dean of Student & Residence Life or designee shall have authority to review and make initial determinations pursuant to this policy and/or to grant applications for waivers in extenuating circumstances. Requests for review of application for waiver should be made to the Dean of Student & Residence Life.

Students learn many responsibilities by residing on campus and assume responsibility for their living environment. Events are planned to foster educational, social, cultural, and recreational interests among all students. Students participate in governing themselves by formulating policies that are reviewed annually. Professional staff members live in the residence hall and upper-class students who reside on the floor and work as Resident Assistants are available to assist residents with concerns. All university residence halls are smoke-free.

All students living on campus are required to purchase a 19, 14, 10 or 175 block meal plan. The university has adopted a food court approach to dining. The dining service offers 19, 14, 10, 5, 175 block, 50 block or all flex meal plans for all students living off campus. Students will be able to use flex dollars for additional meals at the various locations. Flex-dollars are a part of the charge for each meal plan.
