CLASSES FOR THE CHILD DEVELOPMENT ASSOCIATE (CDA) CREDENTIAL

Full tuition assistance may be available!

BECOMING A TEACHER LEADER

- ◆ Learn what it means to be an ethical professional.
- ◆ Explore your personal philosophy about education.
- ◆ Explore the role of cultural competence and collaboration with peers and families in the implementation of effective educational programs.

NOTE: Course delivery is “hybrid,” including in-person and online instruction. This may change to 100% online depending on public health considerations. Personal safety will always be prioritized.

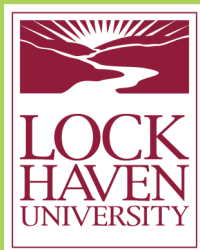

CHILD DEVELOPMENT AND BRAIN BUILDING SCIENCE

- ◆ Learn about child development from birth to age five with a focus on brain development.
- ◆ Learn how to create early childhood environments that promote physical, language, social, emotional, and cognitive development.
- ◆ Learn the key roles individual differences, family, and socio-cultural contexts play in development

POSITIVE BEHAVIORAL SUPPORT FOR YOUNG CHILDREN

- ◆ Learn evidence-based strategies for promoting social and emotional development.
- ◆ Learn how to prevent and address challenging behaviors in preschool-aged children.

TO ENROLL: PASSHEDO@lockhaven.edu
